*From the Donegal Town by-pass, follow the signs for Killybegs*

*Continue on this road, past Mount Charles, Dunkineely and Bruckless, and you will arrive in Killybegs after travelling about 16 miles.*

*(There are a couple of routes through Killybegs, but the best way is to turn right at the new Health Centre/Pharmacy. When you see the sea immediately on your left, take the first available right turn).*

*The signs you need to follow from Killybegs are for Kilcar (Cill Chartha) Carrick (An Carraig) and Glencolumbkille (Gleann Cholm Cille).*

*Leaving the town up a steep hill, traverse a roundabout, following the sign for Cill Chartha. Stay on the Carrick/Glencolumbkille road for about a further 6 miles, and after Kilcar (Cill Cartha) you will come to a T junction. Turn right here.*

*3 miles further on you will reach the village of Carrick (An Carraig). Travel straight through the village, turning neither left nor right. You will reach Glencolumbkille (Gleann Cholm Cille) after a further 6 miles.*

*Immediately upon entering Glencolumbkille, turn left at Biddys Bar (Teach Bhidi). Continue past the church (On your right), and follow the coast road out of the village. Continue well beyond the folk village (On your left), up another steep hill, following a cliff-top road until you reach The Glencolumbkille Hotel (On your right about 3 miles from the village)*

*You will see our building just below the hotel. However to reach us by road you need to continue on the road you are on, turning a sharp left at the junction you will reach after 200 yds. We are the large building on your left, which is yellow in colour.*

*(Ref: Map enclosed. Please note there is a shorter way to find us by turning left about 3 miles beyond Carrick. Please note that although this road is quite narrow in places it is also quite usable. If you choose to take this road you will see us on your right about 3-4 miles after making the left turn, just before the road rejoins the Malinbeg road).*
